

## KENDA PREMIUM TIRES

Kenda Tires provide dependable quality with superior traction, durability, and longevity. Our offering includes a diverse selection of tires to suit various lawn and garden equipment.

## PREMIUM QUALITY

Henry's line of premium tires features quality Kenda pneumatic tires, manufactured with premium rubber and best in class construction. With a wide selection of treads, sizes, and ply's, Henry's provides tires for a variety of applications. All tires are non-banded and ready-to-mount.

## TURF TREADS:

Designed specifically for lawn and garden applications, all turf tread tires provide traction in both dry and wet conditions while minimizing turf damage.

K358 TURF RIDER

K3012 AGGRES TURF

K500 SUPER TURF

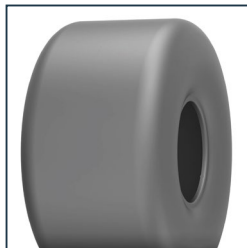

K505 TURF

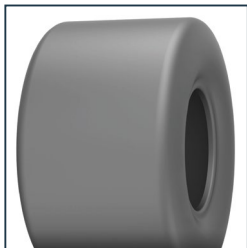

K513 COMMER TURF

## SMOOTH TREADS:

Designed for the front tire on zero turn lawn mower models, the smooth treads allow for sharp turning without damage to turf.

K404 LG SMOOTH

K404 SMOOTH

## AGGRESSIVE / ALL-WEATHER TREADS:

Designed for maximum traction in all weather conditions, the aggressive tire treads provide superior performance for snow blowers, UTVs and ATVs.

K478 SIPED LUGS

K398A POLAR TRAC

K502 TERRA TRAC

## MULTI-PURPOSE UTILITY TREADS:

Designed for utility, each tread supports traction requirements for a variety of uses from wheelbarrows, generators, handcarts and more.

K401 RIB

K352 STUD

K353A SAWTOOTH

## AGRICULTURE TREADS:

Designed for agricultural use, each tread offers greater traction in bare or wet soil conditions.

K359 AGRI BAR

K472 CHEVRON BAR

## PAVEMENT / GRAVEL TREADS:

Designed for stability on turf, pavement and gravel for additional uses from lawn mowers to golf carts.

K3014 STL BLT RAD

K389 HOLE-N-1

\*All tires are non-highway use

## FIND YOUR REPLACEMENT TIRE

All premium Kenda tires and value line KTW tires are unbanded and ready-to-mount. Find the Henry's part to fit your needs here:
